

Year-End Report (12/01/07 - 12/31/07), ID #C00143230. This is in response to the question raised by the Federal Election Commission's notification dated 03/05/08 regarding the nature of the transfers-in from the non-federal account.

New York State Democratic Committee always makes transfers for allocable expenses within 60 days of an expense. For fourth quarter of 2007, Line 18(a) exceeds Line 21(a)(ii) due to a transfer during fourth quarter for expenses incurred during the third quarter of 2007.
